It's the romancers. After all, which group is trying to escape from life? Reality is horrible and wonderful, disappointing and ecstatic, beautiful and ugly. Reality is everything. Reality is what there is. Only the hopelessly insensitive find reality so pleasant as to never want to get away from it But pain-killers can be bad for the health, and even if they were not, I am damned if anyone will make me say that the newest fad in analgesics is equivalent to the illumination, which is the other thing (besides pleasure) art ought to provide. Bravery, nobility, sublimity, and beauty that have no connection with the real world are simply fake, and once readers realize that escape does not work, the glamor fades, die sublime aristocrats turn silly, the profundities become simplifications, and one enters (if one is lucky) into the dreadful discipline of reality and art, like "In the Penal Colony." For it was the jailor's clothes that Jack had worn when he had gone with Amos to the mountain.. rather." Nolan smiled at the sound, then nodded at Mama. ?I'm going to turn in now. You take good care of. The sun was poking over the mountains when he woke up. He roused and was momentarily unaware of where he was; then memory flooded back. He turned to me. The pain and hysteria were gone from his eyes. They were oddly peaceful.. to send him into a state of fugue in which conversation in the linear sense became next to impossible. So. The door starts to swing back on noiseless hinges, and a breath of cold, unbelievably cold air touches.
