The Summoner looked up at Irian. Women sat together by the fire in the lonely farmhouses; people gathered round the hearths in Thwil Town. They listened to the wind blow and the rain beat or the silence of the snow. Outside Thwil Bay the sea thundered on the reefs and on the cliffs all round the shores of the island, a sea no boat could venture out in. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and was quieter when he was with the horses.
