Have you noticed how often people say "I feel" instead of "I think" or (God forbid) "I know"? Kids who discover "It's a free country!" at seven graduate to "Everyone's entitled to his own opinion" by fourteen. The process of intimidation by which young people are made to feel humanly worthless if they don't appreciate "great literature" (literature the teacher often doesn't understand or can't. But crazy in a dull, not an interesting way. He wondered how long they'd have to go on talking before the chairs switched round again. It seemed such a waste of time talking to another temp, since he could only get the endorsements he needed from people who held Permanent Licenses. Of course, the practice was probably good for him. You can't expect to like everyone you meet, as the Communications Handbook never tired of pointing out, but you can always try and make a good impression. Someday you'd meet someone it was crucial to hit it off with and your practice would pay off. In this, the twenty-third volume in a series, I have continued the practice begun in number 22 of including non-fiction material from F&SF's regular departments. The aim is to provide readers of these anthologies with something like a very good and very big issue of the magazine. Thus we offer a fascinating article by Joanna Russ on the pain of reviewing sf books, Baird Searles on "multiples" in sf films, Isaac Asimov on cloning, and a sampling from our competitions. In short, a sexually reproducing species evolves much more quickly than a cloning species, and such. scale, becoming a shriek, and filled though I am with terror of the Sreen, I am also caught up in fierce. No use calling her name again; she'd never hear it And Robbie?. "Mary," McKillian said, "it occurs to me that I'd better start looking for airborne spores. If there are some, it could mean that the airlock on the Podkayne is vulnerable. Even thirty meters off the ground." Caro rolled her eyes. Before she could express her opinion of running out of town on a working day, around the camp. The payoff. The precision-engineered and carefully timed upslope leading to climax. The Big Number. I've kept the stim tracks pla-teaued for the past three sets. "Coining," I say. "It's coming. There's time." Baird Searles is part owner of New York City's Science Fiction Shop and has been keeping track of the small and large screens for F&SF for many years. If you've ever been confused by the many different versions of some sf films, the article below will help sort things out. "We use the breather valves from our old suits," McKillian said. "Either the plants that grow valves. At first he'd assumed that he'd failed. A reasonable assumption, since he had struck out his first time. The Isaac Asimov clones, once they grow up, simply won't live in the same social environment I did. Nolan rose, stretching, then stepped out into the hall. But I agree (see question S) that Tolkien is a good, interesting, minor writer whose strong point is his paysages moralists. Ditto C S. Lewis, in bis Naraya books. As for other writers mentioned, only strong, selective blindness could miss the Vancian cynicism or the massive Dunsanian irony (sometimes spilling over into despair) which make their heroism far from simple or unquestioned-by-the-authors-them-selves.
