I am fortunate in that, unlike Hollywood, F&SF seems to be largely immune from trends. The magazine has a reputation for offering variety, and to uphold that image, it seems to me that it must carefully avoid trends and formulas in an effort to publish a balance of different types of fantasy and sf. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those general criteria are satisfied, we take on whatever seems to be pleasing our writers at the time. That's the best way I know of pleasing our leaders. lanky indicated one of two identical orange-and-brown-striped couches facing each other across a. Hinda could see two slashes in the hide, one on each side, under the heart. The slash on the left was an old wound, crusted but clean. The slash on the right was new, and from it blood still dripped. It's disheartening to see how little has changed. On the other hand, there is no pleasure like finding. "Done!" "That's the land of the Far Rainbow!" cried Jack. "We could almost step through into it!" And he began to go forward. He whistled his animals to him and left the clearing as swiftly as he had come. "Both. I don't have anything concrete except to say that we'll survive the same way humans have. She looked down at me with clouded topaz eyes. "I?!! . . . think about it". Amanda laced and unlaced her fingers in her lap. "In the past there's sometimes been reason for her to come out of time, some errands I can't do or a need to write me a message, but there's no note this time. I also found damp towels that weren't there last night. If she isn't honoring our agreement any longer, soon it won't be minutes she's taking, it will be hours, then days, until there's no time left I can count on for my own. After a bit I undressed and followed her. Compared to the chill of the air, the water felt boiling hot. The heat drew out the last of my anger. Rerun it on the 10th: a woman slipped in the bathtub and fell through the glass shower doors, cutting. Mary Lang sighed, slapped her thighs, and stood up. Like all the others, she was nude and seemed totally at home with it. None of them had worn anything but a Martian pressure suit for eight years. She ran her hand lovingly over the gossamer wall, the wall that had provided her and her fellow colonists and their children protection from the cold and the thin air for so long. He was struck by her easy familiarity with what seemed to him outlandish surroundings. She looked at home. He couldn't imagine her anywhere else.
